## MARINE FACILITY SECURITY SERVICES

Commissionaires Kingston & Region Division, has been providing security solutions to clients throughout Eastern Ontario from Cornwall to Port Hope since 1947 and provide specialized security services in support of marine operations.

Commissionaires Kingston & Region Division members receive specialized training in marine security operations.

We have a fully certified Marine Facility Security Officer (MFSO) and Personnel With Security Responsibilities (PWSR), who are able to provide general security at your Port Authority and detailed security for cruise ship operations', including access control and security checks of facilities, parking monitoring and enforcement, screening of cruise ship facilities, passengers and baggage.

## Marine Facility Security Solutions that work for you

Commissionaires is a leading Canadian security services provider, led and managed by veterans for veterans.

Changing with the times, we now hire former law enforcement Officers from all levels of governments and agencies; graduated students with related college or university police programs and people of good standing.

Commissionaires was established in 1925, and our Kingston & Region Division was established in 1947, providing coverage from Cornwall to Port Hope and north to Perth.

Commissionaires is a not-for-profit organization .

Commissionaires is a national organization with 20,000 employees in 1,200 communities across Canada.

Our services have expanded; we now offer:

- **Fully certified Marine Facility Security Officer (MFSO)**
- **Fully trained Security Guard Personnel With Security Responsibilities (PWSR)**
- **PWSR training**
- **Fully certified 'Threat Risk Assessment' staff, as taught by the RCMP**
- **Emergency Planning, Administration & Management**

Whatever your requirements, Commissionaires Kingston & Region Division can provide the expertise and the qualified people to get the job done right.

Our members, with previous military and police service, bring experience, commitment and integrity to every assignment.

## Flexible solutions for your needs
